2014 Dartmouth Bound: Native American Community Program Application

<http://admissions.dartmouth.edu/dartmouth-bound-programs/>

RECOMMENDATION FORM

Each year Dartmouth's admissions office selects a distinguished group of college-bound rising seniors from across the nation for Dartmouth Bound, an extended campus stay. Students are selected for Dartmouth Bound inclusion on the basis of their academic achievement, personal character, and potential for college success.

Through the generous financial support of several Dartmouth alumni, program participants receive complimentary round-trip transportation to our campus. During the program, participants learn about life at the College, as well as our admissions and financial aid process.

To assist us in our selection process for participants, we ask students to have a letter of recommendation submitted on their behalf. This letter of recommendation should come from a counselor, teacher or mentor who can reflect on the student's academic and personal achievements as well as his or her potential for success in college.

DEADLINES

Dartmouth Bound: Native American Community Program: Wednesday, September 3, 2014

Program dates are ***October 12-15, 2014***. Students will be notified of decisions in late-September.

Applicant's Name: _____
First Middle Last Jr., etc.

Recommender's Name: _____

Phone: _____ Email: _____

How long have you known this student and in what context?

Please reflect on your interactions with this student, as well as his or her academic and personal achievements, and what you believe is his or her potential for college success. Helpful topics to address include:

- How this student compares to other students you have worked with
- Examples of exceptional academic achievement and/or intellectual curiosity
- Experiences that shed light on the student's personal qualities and character.

Thank you for your time. We greatly appreciate your perspective in our selection process.
