# 2021 Dartmouth Faculty/Staff Sexual Misconduct Survey

---

## INFORMED CONSENT

**Purpose:** Dartmouth College is conducting this survey to gather information about: faculty and staff knowledge of sexual misconduct; faculty and staff experience with sexual misconduct while working at Dartmouth; and faculty and staff awareness of Dartmouth's sexual misconduct / Title IX policies and procedures.

By participating you will make an extremely valuable contribution to our understanding of issues related to sexual misconduct on campus. **Even if you feel that you have no direct knowledge of sexual misconduct at Dartmouth, your participation is critical to the success of the survey and the accuracy of the data we collect.**

To help ensure that the data collected represents the views and experiences of the entire campus community, we are inviting all faculty and staff to participate in the survey. The survey will take at least 15 minutes to complete.

**Important note:** Some questions in this survey use explicit language, including anatomical names of body parts and specific behaviors involving sexual situations. This survey also asks about sexual assault and other forms of sexual violence. It is important that we ask the questions in this way so that you are clear what we mean, but this may be upsetting. Your participation in the survey is completely voluntary. You may skip any question you are not comfortable answering and may exit the survey at any time. Resources for support will be available on every page, should you need them.

**Confidentiality:** Please be assured that your responses will be treated in a strictly **confidential** manner. Information that you provide in this survey is for administrative use only and does not constitute a formal report to the College; as such it will not result in any action, disciplinary or otherwise.

If you would like to talk to someone **confidentially** about questions or concerns relating to sexual misconduct, in addition to or without making a formal report to Dartmouth, please contact WISE, who offer survivor-centered advocacy at 866-348-9473 or the Dartmouth Faculty/Employee Assistance Program (F/EAP) resources at 844-216-8308.

B0 “Sexual assault” and “sexual misconduct” refer to a range of behaviors that are nonconsensual or unwanted. Sexual assault could include threats of force to get someone to engage in sexual behavior such as having or attempting to have sexual contact with another individual without consent, such as sexual intercourse or sexual touching. Sexual misconduct could include remarks about physical appearance or persistent sexual advances. These behaviors could be initiated by someone known or unknown, including someone you are in or have been in a relationship with.
