Erin Storm, PA-C

**Background:** I have been practicing primary care for about six years in outpatient practices across New York, Colorado, and now New Hampshire. I have spent several years of my career focused on geriatric medicine in assisted living, long term care, and skilled nursing facilities. I am passionate about conservative, preventative medicine to increase whole body health and wellness.

**How I stay healthy and happy:** I run, bike, strength train, and love most any other activity that keeps me moving and outside with my family. I also enjoy learning languages.

**Education:** Hofstra University, Board certification: National Commission on Certification of Physician Assistants (NCCPA)
